

The Metro Denver Dental Society (MDDS) Announces 2021 RMDC *Anywhere* Virtual Convention

After assessing the current landscape and surveying stakeholder groups, the Metro Denver Dental Society Board of Directors has decided to pivot and transform the 2021 Rocky Mountain Dental Convention into a completely virtual event.

The RMDC has always provided a high-quality educational program, the latest technology and services in the Expo Hall and fun, engaging networking events. We're excited for the opportunity to bring all these same elements to you in a new way. The reimagined convention experience will be captivating, creative and interactive. And, it will still allow you to connect and network with colleagues and vendors – just differently.

Although we had planned for an in-person event next January, the health risks, economic challenges and logistical complications introduced by the COVID-19 pandemic necessitate a new plan.

We believe making the decision now to embrace a virtual conference provides a measure of certainty in uncertain times and allows the team and volunteers plenty of time to produce the most impactful event possible for everyone.

RMDC Anywhere will be held January 21 – 23, 2021. We are committed to providing the same high-caliber of dental speakers and relevant topics that attendees have come to expect from RMDC. Speakers such as Dr. Sascha Jovanovic, Dr. Harold Crossley, Dr. Paul Feuerstein, Ms. Penny Hatzimanolakis, Ms. Karen Raposa, Dr. Terry Tanaka and more have already signed on to give lectures on topics ranging from practice management and teledentistry to pharmacology and periodontology. Stay tuned for information on a reimagined schedule, Expo Hall and networking opportunities aimed at helping you get the most out of *RMDC Anywhere* while minimizing computer fatigue and time out of the office in order to give you the most productive meeting possible.

Be sure to check your email and follow us at facebook.com/RMDCOnline where we will share more details as they develop. As we plan *RMDC Anywhere*, we will be reaching out for feedback on how to make it a terrific event for you. Please respond to those surveys or feel free to reach out anytime with ideas or feedback by contacting us at rmdc@mddsdentist.com.
