

How to request a Video Chat (with booth staff, attendees and speakers)

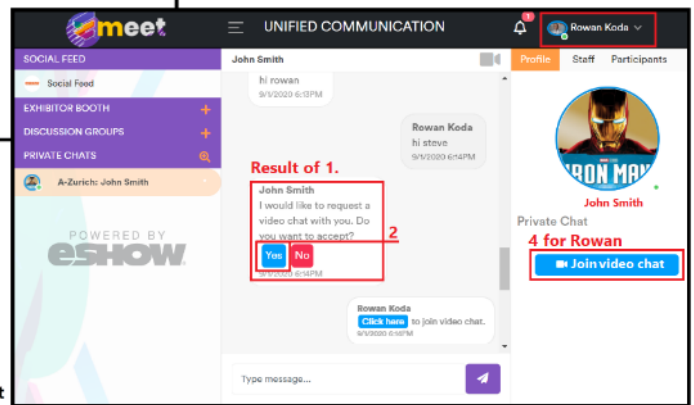

1. In a Private Chat, Click the Camera button or Request Video Chat button.
2. The other user will receive a message to accept Yes/No.
3. When Yes is clicked, the other user receives a message with a Click Here to join button.
4. The Request button now changes to Join Video Chat for the requester.

Private chat video process:

1. John (left) clicks the Request Video Chat button OR the Camera image.
2. Rowan (below) receives a message for the request and clicks Yes.
3. John receives a message back to Join the Video chat.
4. Rowans Request button changes to Join Video Meeting, Rowan clicks it to join the video meeting.
