

2022 RMDC EXHIBIT POLICIES

Revised 9.10.21

The 2022 RMDC Exhibit Policies are part of the Exhibitor Application for Booth Space. All exhibiting companies agree to adhere to these policies. MDDS reserves the right to interpret these policies, as well as to make final decisions on all points covered or not covered in this document, the Exhibitor Prospectus, the online Exhibitor Service Center and the Convention website.

IMPORTANT NOTE: *As circumstances change regarding the COVID-19 pandemic and construction at the Colorado Convention Center, these Exhibit Policies will be updated to reflect current guidelines and regulations. Please check these policies regularly to ensure you are adhering to the most recent information.*

Exhibiting at RMDC

Reserving Exhibit Booth Space

All applicants for exhibit booth space are required to complete the formal Exhibitor Application for Space located on the Convention website rmdconline.com.

Assignment of Exhibit Space – REVISED INFORMATION

Due to extenuating circumstances caused by the COVID-19 pandemic and construction in Hall D at the Colorado Convention Center, companies will be unable to request the booth space they occupied at the 2020 RMDC (right of first refusal). All companies that have submitted an application for 2022 booth space by August 20, 2021 will be assigned space in order of highest seniority points (see Seniority Point System below), and then by the earliest date of receipt of application and deposit. Company applications received after August 20, 2021 will be assigned to remaining booths in order of receipt. The above rules may be waived using the best judgment of the Exhibits Committee for any valid reason including avoiding competitor proximity.

Exhibit booths will be assigned based on booth choices and other information provided by companies in advance, as well as the proximity of competitors. Assignment to requested locations is not guaranteed. Because all booth assignments are completed in one day, no calls for booth choices can be made to exhibitors on assignment day. The above rules may be waived using the best judgment of the Exhibits Committee for any valid reason.

Confirmation of Exhibit Space – REVISED INFORMATION

A confirmation letter will be e-mailed in early-September 2021 to all exhibitors along with a username and password for the online Exhibitor Services Center. Companies submitting applications after August 20, 2021 will receive a confirmation letter containing their username and password approximately 10 business days after receipt of application.

Seniority Point System – REVISED INFORMATION

Each company receives one point for each year it has exhibited at the Rocky Mountain Dental Convention since 1962. Companies that exhibited during the 2021 RMDC *Anywhere* virtual convention received additional points based on their booth package. One additional point is awarded for each booth more than one requested for the 2022 RMDC. Companies that have merged with other past exhibiting companies receive total points from the company with the higher number of points. Points for both companies are not combined. If a company has not exhibited at the Rocky Mountain Dental Convention in the past five (5) years, points previously accumulated are forfeited.

Rejection of Applications

MDDS reserves the right not to accept an Exhibitor Application for Space and may require any exhibitor to leave the Expo Hall at any time without refund for conduct Show Management deems, at its sole discretion, to be adverse to the interests of MDDS and/or the Rocky Mountain Dental Convention.

Misrepresentation of Products & Services

Any misrepresentation by a company of its products and/or services may result in the company being relocated on the show floor or removed from the show immediately without refund.

Terms of Payment

• Deposits

An initial \$500 per booth deposit must be submitted with a completed Exhibit Application for Space.

• Final Payments

The balance for all assigned booth space must be received by MDDS on or **before October 1, 2021**. If final payment is not received by the deadline, the exhibiting company forfeits its assigned booth location and will be required to pay MDDS liquidated damages equal to 100% of the total deposit. Payment plans are available upon request and must be made in writing. Contact Jill Kingen at exhibits@mddsdentist.com.

To ensure proper credit to your exhibit account, please make all checks payable to MDDS and mail to: MDDS, Attention: Exhibits, 925 Lincoln Street, Unit B, Denver, CO 80203.

Cancellation or Reduction of Exhibit Booth Space

Exhibiting companies are entitled to a full refund (less a \$50 per booth cancellation fee) if written notification of cancellation or reduction of space is received by MDDS on or **before October 1, 2021**. After this deadline, exhibiting companies that cancel or reduce booth space(s) will not be entitled to any refund unless the Expo Hall is sold out. If the Expo Hall is sold out, a fee of \$200 per canceled booth will be retained by MDDS to cover administrative costs. The balance of the account will be refunded following the 2022 RMDC.

COVID-19 Safety

The 2022 Rocky Mountain Dental Convention (RMDC) is continually monitoring developments surrounding COVID-19 and is following the lead of national, state and local health and travel authorities. The safety and well-being of our exhibitors, attendees, partners and team is our number one priority. RMDC 2022 will be conducted in strict accordance with federal, state and local safety protocols. By purchasing exhibit space at the 2022 Rocky Mountain Dental Convention (RMDC), the exhibiting company agrees that it understands and voluntarily accepts, on behalf of itself and its employees, the risk of exposure to COVID-19. Neither MDDS, its representatives, agents, or employees, nor The Colorado Convention Center, its representatives, agents, or employees will be responsible for illness suffered by the exhibitor's employees from any cause whatsoever, prior to, during, or subsequent to the period covered by the Exhibitor Application.

Booth Specifications

Standard Linear Booth

A standard linear booth has a frontage of ten (10) feet with a depth of ten (10) feet. The booth itself is a framework of aluminum rails on which fireproof draperies are hung. The back of each booth rises eight (8) feet above the floor. Dividers between the exhibit spaces measure forty-eight (48) inches high. Regardless of the number of Standard Linear Booths utilized, display materials should be arranged in such a manner so as not to obstruct sight lines of neighboring exhibitors along the numbered aisles. The maximum height of eight (8) feet is allowed only in the rear half of the booth space, with a four (4) foot height restriction imposed on all materials in the remaining space forward to the numbered aisle. Please see diagram at the right for clarification.

End-Cap Booth

When an exhibitor has two end corner booths (end-cap), the combined two (2) booths have a frontage facing a cross-aisle of twenty (20) feet with a depth of ten (10) feet. The center back of the booth facing the cross aisle is eight (8) feet high by ten (10) feet in width, and on either side the dividers will rise forty-eight (48) inches high and extend five (5) feet in length from the center back section of the booth. An exhibitor's display in an end-cap booth shall not exceed forty-two (42) inches in height beyond the center ten (10) feet of the back wall along the numbered aisles so as not to cause a visual disadvantage to adjacent booths. The only draping will be the back wall facing the cross-aisle. The center ten (10) feet of the back wall will have an eight (8) foot tall drape. The remaining ten (10) feet of the back wall (five (5) linear feet left and right) will have a forty-two (42) inch tall drape. Please see the diagram at the right for clarification.

Island Booth

When an exhibitor has four end corner booths, the combined four (4) booths have a frontage of twenty (20) feet on four sides with a depth of twenty (20) feet with no rails or drapes. The display height may not exceed forty-eight (48) inches within five (5) feet of the numbered aisles. The entire cubic content of the space may be used up to the maximum allowable height.

Display policies follow the International Association for Exhibitions & Events (IAEE) Guidelines and shall be strictly enforced at the discretion of Show Management.

Maximum Allowable Height

In the area of any booth that is farther than five (5) feet from a numbered aisle, an exhibitor's display may exceed ten (10) feet in height only if it is determined by Show Management to be safe and appropriate.

Exhibit Weight & Height Limitations

The weight limitation per square foot is 350 lbs. The Expo Hall dock entrance measures twenty-two (22) feet wide by twenty (20) feet high.

Display Restrictions

- No part of the exhibit, such as signs, partitions, apparatus, shelving, equipment, displays, etc., may extend more than forty-eight (48) inches above the floor in the front half of the booth(s) as indicated by the darkened areas in the standard booth layout diagram posted on the Convention website, rmdconline.com, nor extend farther into the aisle(s) than the sidewalls of the booth.
- If the unfinished backside of any display is visible, it must be draped.
- No nails or screws may be driven into the Expo Hall floor or pillars.
- No damage of any nature may be done to the booth(s) structures or to any part of the Expo Hall. The exhibitor will be responsible for any damages.
- All structural work, such as shelving standards, display racks, signs, spotlights, etc., must meet with the approval of Show Management.
- No balloons are allowed in the Colorado Convention Center.
- Each exhibitor shall observe all laws and regulations of the City of Denver, the State of Colorado, and the Federal Government pertaining to fire, public safety and consumer safety.

Hanging Signs

Hanging signs are permitted above an exhibit of four (4) or more standard booths back-to-back with an aisle on at least three (3) sides.

Height: Hanging identification signs and graphics will be permitted to a maximum height of sixteen (16) feet, provided written approval is received from Show Management at least four (4) weeks prior to move-in at the Colorado Convention Center. Color diagrams and photos (if possible) must be submitted with a company's written request to hang a sign.

Depth: All hanging signs must hang over the back 25% of the booth space.

All hanging signs must be framed, professionally designed and produced, and must reflect a polished, professional image. Show Management reserves the right to approve or reject any request. Each company that gains approval to hang a sign must make arrangements with Freeman to have the sign hung at applicable charges.

Security

Show Management will have a guard service in the facility 24 hours per day, including all move-in and move-out hours. However, this is an open booth show, and the exhibitor assumes primary responsibility for the safeguarding of exhibit and merchandise. While Show Management will exercise reasonable care in safeguarding property, neither Show Management, the facility, the security coordinator, the drayage contractor, nor any of their directors, trustees, officers, agents or employees assume responsibility for such property.

Equipment

All mechanical equipment for display installation and dismantling, such as forklifts, highlifts, etc., also must be arranged through Freeman. Union dock rules allow exhibitors to hand-carry materials in and out of the Denver Convention Complex facilities. **Any materials requiring the use of equipment including dollies and forklifts must be handled by The Denver Theatrical Stage Employees Union Local 7 members and arranged through Freeman.**

Labor – Installing & Dismantling Booths

Full-time employees of an exhibiting company may install and dismantle their own and respective company displays provided that such work can be completed in less than sixty (60) minutes without the use of mechanized tools. **Any outside or additional labor required for installation, dismantling or decorating is to be performed by members of The Denver Theatrical Stage Employees Union Local 7 and should be arranged through Freeman.**

Infraction of Exhibit Rules

Unethical conduct or infraction of the rules on the part of the exhibitor or its representatives will subject the offending exhibitor, its representatives, or both to dismissal from the Expo Hall, forfeiture of booth space, booth fee and/or seniority points used in booth assignments. The exhibitor may also be barred from participation in future Conventions. In this event, it is agreed that no refund shall be made by the Metropolitan Denver Dental Society and that no demand for redress will be made by the exhibitor or its representatives.

Cancellation of Exhibition

In the event that, due to any circumstances beyond Show Management's control, the convention is not held, the exhibition is barred, prevented or cancelled, the exhibiting company is entitled to a full refund of its booth rental payment provided the circumstance is covered by the Metropolitan Denver Dental Society's convention cancellation insurance. If the convention is not held, the exhibition is barred, prevented or cancelled due to a circumstance not covered by the Metropolitan Denver Dental Society's convention cancellation insurance, there shall be no refund of the exhibiting company's booth rental payment.

In addition, the exhibiting company waives any and all damages and claims for damages if the exhibition is cancelled, postponed or relocated on account of fire, strike, government regulations, casualties, pandemic, epidemic, acts of God or other causes beyond the control of MDDS. In the event that, due to any of the aforesaid events, occurrences, contingencies or circumstances, the exhibition shall terminate or be discontinued, or the exhibitor shall be deprived of its space with cause after the commencement of the exhibition, but prior to the scheduled conclusion thereof as herein before specified, the exhibiting company will not be entitled to a refund.

Liability

Indemnification

All individual exhibitors and exhibiting companies, upon signing an Exhibitor Application, covenants to protect, indemnify, hold harmless, and defend MDDS and The Colorado Convention Center and their employees from any and all liability damage or expense by reason of any injury or injuries sustained by any person or property or loss of property received, done or occurring in or about the premises used by the exhibitor hereunder or exits or entrances thereto. In addition, each exhibitor shall save MDDS and its representatives, agents, and employees harmless and indemnify them against any damage that may result to The Colorado Convention Center premises or any portion thereof growing out of or arising from the negligence or willful misconduct of such exhibitor, its employees or agents.

Neither MDDS, its representatives, agents, or employees, nor The Colorado Convention Center, its representatives, agents, or employees will be responsible for injury, loss, or damage that may occur to the exhibitor or to the exhibitor's employees or exhibitor's property from any cause whatsoever, prior, during, or subsequent to the period covered by the Exhibitor Application.

It is agreed by the parties that the nature of the facilities available, the presence and circulation of large numbers of people, the difficulty of effective supervision and protection of large numbers of removable articles in numerous booths and various other factors make it reasonable that each exhibitor shall assume the risk of any injury, loss or damage, and the exhibitor, by signing the Exhibitor Application, hereby assumes such risk and expressly releases the organizations and individuals referred to above from any or all claims for such loss, damage or injury.

MDDS shall not be held responsible for any property of the exhibitor, including shipping containers, brought into or used about The Colorado Convention Center. Neither shall MDDS be responsible for any actions or omissions of any of the exhibitor's employees, agents or representatives.

MDDS makes a great effort to encourage attendees to visit exhibitors and to make purchases; however, MDDS cannot guarantee overall attendance or registration in any particular category. Nor can MDDS guarantee the number of attendees in the Expo Hall or amount of sales or leads gained by any exhibitor.

Exhibiting Standards

All products and services displayed at the Rocky Mountain Dental Convention must comply with the official published exhibiting standards of the American Dental Association. The Rocky Mountain Dental Convention welcomes exhibitors at its annual Convention because it believes that exhibits constitute an important means of keeping the dentists and dental professionals informed of new and better products and services for the practice of dentistry. Such exhibits and the products, backdrops and promotional materials should be attractive, factual, dignified and calculated to provide useful product and service information. Unless a council or other agency of the American Dental Association has awarded a seal of acceptance or certification, or given other formal recognition to a product, the appearance of a product at the Rocky Mountain Dental Convention is not an MDDS endorsement of the product or the claims made for the product by the manufacturer.

General Conduct

Exhibits must be professionally staffed during all open exhibition hours. The exhibitor is permitted to demonstrate the company's equipment and to make formal presentations regarding the product-line or service within the assigned exhibit booth(s). There shall be no business activities conducted in the aisle space or any other areas outside of the assigned exhibit booth(s). Aisles must not be obstructed at any time. Soliciting of other exhibitors for business or contacts is not permitted.

Early Dismantling

Packing of equipment, materials or the exhibit cannot begin until 2:00pm on Saturday, January 22, 2022. Companies that begin packing equipment risk losing their space at future Rocky Mountain Dental Conventions.

Display Disturbances

All displays, demonstrations, interviews, sound or other activities must be confined to the limits of the exhibitor's assigned booth(s). Audio-visual devices used in the exhibitor's booth(s) must be approved by Show Management. In the course of the exhibition, no audio-visual device or sound system shall be operated in a manner that disturbs or interferes with other exhibitors. Show Management reserves the right to regulate displays so as to abate reasonable objections.

Recorded Music

No recorded music of any kind will be permitted in any exhibit booth(s) unless the exhibitor's organization is the owner of the music copyright. Copyright documentation must be available at the exhibit for inspection by Show Management.

Non-Contracted Exhibit Booth Space

Persons, firms or organizations not having reserved/purchased with MDDS for the occupancy of space in the Expo Hall will not be permitted to promote, display or demonstrate any products, processes or services, solicit orders or distribute advertising materials in the Colorado Convention Center. Any non-compliance with this regulation will result in the prompt removal of the offending person(s) and property from the exhibit or convention area.

Subletting Space/Booth Sharing

Subletting of space is prohibited. Exhibitors may not assign, sublet nor apportion the whole or any part of space allotted nor exhibit therein, any goods other than those manufactured or distributed by the exhibitor in the regular course of the exhibitors' business, nor permit any representative of any firm not exhibiting to solicit business or take orders in the exhibitor's space. MDDS does not permit booth sharing by two or more unaffiliated companies.

Exhibitor Sponsored Contests

Exhibitors wishing to sponsor any type of contest, raffle or drawing for prizes must notify MDDS thirty (30) days prior to the start of the convention. Exhibiting companies must adhere to the following rules:

- Exhibitor must comply with all local, state and federal laws that apply to such contests, raffles or drawings.
- Contest, raffle or drawing rules must be posted at the booth. The rules must include eligibility, dates and times of the drawing (contest or raffle), posted "No purchase necessary to enter" notification, odds of winning, how winners will be notified and how participants can find out who won the contest, raffle or drawing.
- Exhibitor must agree to indemnify MDDS in case of any claims arising from the conduct of the contest, raffle or drawing.
- MDDS must be notified of the name(s) of the winner(s) when the prize(s) has been awarded.

Sales, Samples & Souvenirs

Sales or other transactions by the exhibitor shall be limited and restricted to taking or accepting written orders. Under no circumstances shall the delivery of any goods or items be made, nor shall any cash, credit purchase, or check be issued or received at any exhibit or in any exhibition area unless the exhibitor prominently displays a current City & County of Denver Sales Tax License. Samples and souvenirs may be given away but must be conducted in such a manner as to not distract or interfere with the adjacent booth(s) or to impede movement of attendees in the aisles.

Food Products – REVISED INFORMATION

With the exception of popcorn and peanuts in a shell, food products may be distributed in the exhibit booth. Before planning to provide food to attendees, the exhibitor must receive permission from the Colorado Convention Center official caterer, Centerplate. Centerplate can be reached by calling (303) 228-8050.

Complaints

Any complaints regarding infraction of the rules or disputes between exhibitors must be made to Show Management at the Exhibitor Registration Desk. The decisions made by Show Management in response to complaints and disputes are final. The rules outlined in the 2022 RMDC Exhibit Policies are subject to revision by Show Management and all points not covered are subject to Show Management's decision. Exhibition rules have been formulated with the best interest of all parties in mind.

Smoking Regulations

There shall be NO smoking or vaping in the Expo Hall, Exhibitor Lounge, restaurant areas or lecture rooms. The Colorado Convention Center is a non-smoking facility.
