

## 2025 RMDC EXHIBIT POLICIES

The 2025 RMDC Exhibit Policies are part of the Exhibit Space Application. All exhibiting companies agree to adhere to these policies. MDDS reserves the right to interpret these policies, as well as make final decisions on all points covered or not covered in this document, the Exhibitor Prospectus, the online Exhibitor Services Center and the Convention website.

### Reserving Exhibit Booth Space

All applicants for exhibit booth space are required to complete the formal Exhibit Space Application on the Convention website at [rmdconline.com](http://rmdconline.com).

### Who Can Exhibit

All companies requesting booth space must provide accurate information and must not be deceptive or misleading. MDDS does not permit the following categories in the Expo Hall: **anti-aging facial products, LED light therapy for facial skin rejuvenation, any facial esthetic devices, transcutaneous electrical nerve stimulation (TENS) units, electrical stimulation products, neuromuscular electrical stimulation (NMES) products and Electrical Muscle Stimulation (EMS) products**. MDDS reserves the right to decline or remove any exhibitor that, in its judgment, is not suitable or is not in keeping with the character of the exhibition. At its sole discretion, MDDS may accept or reject any Application/Contract for Exhibit Space.

### Exhibit Booth Specifications and Pricing

Standard booth sizing is 10' x 10'. Please see page 3 for information regarding a complimentary booth package that must be pre-ordered. Refer to the Display Regulations (page 6) for display requirements.

#### Pricing for 10' x 10' Booth

Premium	\$2,585.00
Corner	\$2,395.00
Inline	\$1,975.00

#### Pricing for 5' x 10' Micro Booth

5' x 10' Micro Booth*	\$1,000.00
-----------------------	------------

\*Micro booths are available only to companies in their first year of exhibiting.

### Terms of Payment

#### • Deposits

An initial \$500 per booth deposit must be submitted with a completed Exhibit Space Application.

#### • Final Payments

The balance for all assigned booth spaces must be received by MDDS on or before **August 31, 2024**. If final payment is not received by the deadline, the exhibiting company forfeits its assigned booth location and will be required to pay MDDS liquidated damages equal to 100% of the total deposit. Payment plans are available upon request and must be made in writing. Contact Jill Kingen at [exhibits@mddsdentist.com](mailto:exhibits@mddsdentist.com) for details.

To ensure proper credit to your exhibit account, please make all checks payable to MDDS and mail to: MDDS, Attention: Exhibits, 925 Lincoln Street, Unit B, Denver, CO 80203.

Deposit or full payment for the maximum number of booths requested will be processed upon receipt of Exhibit Space Application. The processing of payment in no way constitutes the acceptance of the application. Any refunds due based upon actual booth assignment will be processed and returned following the final acceptance of the Exhibit Space Application and booth assignment notification email.

## **Eligibility**

MDDS is committed to providing a quality exhibition. MDDS does not permit the following categories in the Expo Hall: **anti-aging facial products, LED light therapy for facial skin rejuvenation, any facial aesthetic devices, transcutaneous electrical nerve stimulation (TENS) units, electrical stimulation products, neuromuscular electrical stimulation (NMES) products and Electrical Muscle Stimulation (EMS) products.** MDDS reserves the right to decline or remove any exhibitor prior to or onsite that, in its judgment, is not suitable or not in keeping with the character of the exhibition. At its discretion, MDDS may accept or reject any Exhibit Space Application.

Companies that have not previously exhibited at the RMDC must submit in writing references from two dental meetings at which they have exhibited within the past three years. All references must include contact name, title, office/organization, address, city, state, zip, phone, email and website.

## **Misrepresentation of Products & Services**

Any misrepresentation by a company of its products and/or services may result in relocation on the show floor or removal from the show immediately without refund and at the expense of the exhibiting company.

## **Multi-Listing Fee**

RMDC prohibits the sharing of booth space, except when sharing the space with divisions of the same company or between companies co-marketing a product or service. If this is the case, a fee of \$125 is due per co-exhibitor at the time the Exhibit Booth Application is submitted, along with the co-exhibitor company names.

## **Assignment of Exhibit Space**

Company applications/deposits received by MDDS on or before May 23, 2024, requesting their 2024 booth space (right of first refusal) will be assigned first. Companies requesting a change from their 2024 booth space by May 29, 2024, will be grouped with new applications and assigned in order of highest seniority points (see Seniority Point System below), and then by the earliest date of receipt of application/deposit. By requesting a change of booth location, the company forfeits its right of first refusal for its 2024 booth space. Company applications received after May 29, 2024, will be assigned as received. The above rules may be waived using the best judgment of the Exhibits Committee for any valid reason including avoiding competitor proximity.

Exhibit booths will be assigned based on booth choices and other information provided by companies in advance, as well as the proximity of competitors. Assignment to requested locations is not guaranteed. Because all booth assignments are completed in one day, no calls for booth choices can be made to exhibitors on assignment day. The above rules may be waived using the best judgment of the Exhibits Committee for any valid reason.

## **Confirmation of Exhibit Space**

A confirmation letter will be e-mailed in June 2024 to all exhibitors along with a username and password for the online Exhibitor Services Center. Companies submitting applications after June 2024, will receive a confirmation letter containing their username and password approximately 10 business days after receipt of application.

## Seniority Point System

Each company receives one point for each year it has exhibited at the Rocky Mountain Dental Convention since 1962. Companies that exhibited during the 2021 RMDC *Anywhere* virtual convention received additional points based on their booth package. One additional point is awarded for each booth more than one requested for the 2025 RMDC. Companies that have merged with other past exhibiting companies receive total points from the company with the higher number of points. Points for both companies are not combined. If a company has not exhibited at the Rocky Mountain Dental Convention in the past five (5) years, points previously accumulated are forfeited.

## Cancellation or Reduction of Exhibit Booth Space

All cancellations and/or reductions of booth space must be made in writing. Cancellation/reductions of booth space may be made with a \$500 fee per booth by August 31, 2024. Cancellations/reductions received after August 31, 2024, will not be entitled to any refund. Booths 20' x 20' or larger cannot be reduced based on priority assignment.

## Failure to Occupy Space

Any exhibit space not occupied by 9:00am on Thursday, January 23, 2025, will be considered abandoned and forfeited by the exhibitor unless prior arrangements for delayed occupancy have been made in writing with Show Management. This forfeited space may be reassigned by MDDS without notice or refund of any fees to the exhibitor. Exhibitors delayed for any reason must notify MDDS.

## Early Dismantling

Packing, removing or dismantling of equipment, materials or the exhibit prior to 1:30pm on Saturday, January 25, 2025, is prohibited. The sole determination of what constitutes packed, removed or dismantled will be made by show management. If the exhibitor acts in breach of this provision, it is subject to one or more of the following fines and penalties for the distraction to the exhibition's appearance.

- \$750 fine
- Loss of participation point from RMDC 2025
- Loss of right of first refusal for RMDC 2026
- Possible restriction from exhibiting at future Rocky Mountain Dental Conventions

**Please note:** Exhibit Space Applications for future RMDCs will not be accepted until all fees are paid.

## Online Exhibitor Listing

By purchasing booth space, an exhibitor consents to RMDC listing exhibitor's information in the online Exhibitor List.

## Carpet & Drape

The Expo Hall aisles will be carpeted in midnight blue. Draping will be in white. Booths do not include carpet. Exhibitors may carpet their individual booth(s) in complementary colors. RMDC strongly recommends carpeting for a more finished booth appearance. Contact Freeman for rental details and pricing.

## Complimentary Furniture Package

Each exhibitor with a 10' x 10' booth or larger is eligible to receive a complimentary furniture package, provided the exhibitor notifies Freeman of its package selection by **December 26, 2024**. The complimentary furniture package consists of:

- One (1) 6' draped table (30" high) or 6' draped counter (42" high)
- Two (2) black chairs or stools
- One (1) wastebasket

The value of this package is approximately \$1100.00.

**REMINDER:** To receive the complimentary furniture package, you must submit the order form directly to Freeman **no later than December 26, 2024**.

MDDS will not pay the cost of complimentary furniture packages or reimburse exhibitors for packages ordered after **December 26, 2024**. Exhibitors that order the complimentary furniture package after December 26, 2024, will be responsible for paying the full price of the package. Any change made to the complimentary booth package will be at the exhibitor's expense at full list price.

**Please Note:** Micro booths do not receive a complimentary furniture package.

## Booth Staff Registration

Exhibiting companies receive up to ten (10) complimentary badges per 10'x10' booth space. Additional booth personnel can be registered for a fee of \$100/person. Exhibitors must certify that their booth personnel are officials or employees of the company and on the payroll of the company contracting for the booth space or have been hired by the exhibiting company to work in the booth. Non-MDDS member dentists may not be registered as booth personnel unless they are an officer of the company or a full-time (non-practicing) employee. These names will be cross-referenced with the MDDS membership database. **All representatives who register onsite must provide official documentation of their employment.** Parties asking admission as exhibitors without these credentials will not be registered or allowed on the show floor. Badges are not transferrable. Exhibitors desiring to change representatives shall notify MDDS in writing prior to **January 17, 2024**. Online registration will be available in October 2024 at [rmdconline.com](http://rmdconline.com).

## Exhibitor Credentials

Each person entering the Expo Hall will be required to register and wear an RMDC name badge at all times. All members of an exhibit staff must be full-time employees of or hired by the exhibitor. Dentists or hygienists who are a consultant to an exhibiting company or other non-employees of the exhibitor may not be registered as an exhibitor unless they are a sole proprietor, an officer of the company or a full-time (non-practicing) employee of the exhibiting company. The RMDC offers free Exhibit Hall Only badges for dental professionals at [rmdconline.com](http://rmdconline.com). False certification of individuals as exhibitor representatives, misuse of exhibitor badges or any other method or device used to assist unauthorized persons in gaining admission to the Expo Hall is prohibited. Any exhibitor or representative or agent of an exhibitor who undertakes or encourages such conduct shall, at the sole discretion of MDDS, be subject to dismissal from the Expo Hall and/or forfeiture of booth space, booth fee, seniority points used in booth assignments or right of first refusal for current booth location at a subsequent convention. In this event, it is agreed that no refund shall be made by MDDS and that no demand for redress will be made by the exhibitor or its representatives.

## Exhibitor-Appointed Contractors

All exhibiting companies using an exhibitor-appointed contractor must complete and return to MDDS an "Exhibitor-Appointed Contractors Work Authorization Request" form. This form must be on file and will be referenced when the contractor(s) arrives at the Colorado Convention Center to request a work pass for entry to the Expo Hall during installation and dismantling hours. The Work Authorization Request form is available online in the Exhibitor Services Center. The forms must be returned by **December 26, 2024**. Work passes will be available for pick up at the Exhibitor Registration Desk beginning at 8:00am on Wednesday, January 22, 2025. Work passes are valid only during the hours of move-in and move-out.

## Material Handling & Shipping Information

Please be advised that due to City of Denver union dock rules, exhibitors will not be permitted to use hand carts and larger devices to transport items into the Expo Hall. Such transports must be handled by The Denver Theatrical Stage Employees Union Local 7 members and should be arranged through Freeman at the exhibitor's expense. Hand carrying items into the Expo Hall is permitted. **Freeman has been designated as the official drayage contractor for the 2025 RMDC.**

<p><i>Advance Shipment Address</i> (COMPANY NAME AND BOOTH #) Rocky Mountain Dental Convention c/o Freeman 4493 Florence Street Denver, CO 80238</p>
--

In addition to material handling, Freeman provides custom installation and dismantling services. The exhibiting company agrees to ship, at its own risk and expense, all articles to be exhibited. Shipments will be accepted by the Freeman warehouse between **December 26, 2024 – January 15, 2025**. Shipments arriving prior to December 26, 2024, will incur a charge for storage. Shipments arriving after January 15, 2025, will be received at the warehouse but charged a special handling fee. Such shipments must be prepaid and addressed as shown above right.

**Direct shipments** to the Colorado Convention Center must NOT arrive at the exhibit facility prior to 8:00am on January 21, 2025. Shipments arriving prior to January 21, 2025, will be refused. Freeman will receive all shipments and deliver them to exhibitor booths. Shipments to the Colorado Convention Center should be addressed as shown on the right.

*Direct Shipment Address*  
(COMPANY NAME AND BOOTH #)  
Rocky Mountain Dental Convention  
c/o Freeman  
700 14<sup>th</sup> Street, Champa Street Dock  
Denver, CO 80202

Advance arrangements for all return shipments must be made with Freeman prior to the show closing on Saturday, January 25, 2025, at 1:30pm.

### **Certification of Insurance**

Exhibiting companies shall be responsible for insuring all goods, materials, equipment and display items brought to the Rocky Mountain Dental Convention. Policies should cover theft and damages (water, fire, freight, etc.). MDDS will have a guard service in the facility 24 hours a day, including all move-in and move-out hours. However, exhibitors shall be responsible for securing their own booths at all times. Exhibitors should also have public liability and property damage insurance, including product liability. A sample Certificate of Insurance form is located on the convention website at [rmdconline.com](http://rmdconline.com). The completed Certificate of Insurance form must be received by MDDS no later than **December 26, 2024**.

### **Lead Retrieval**

All RMDC attendees will have a name badge with a bar code containing their registration data. With one scan of the badge using the "Lead Management Reader," you will know who your visitors are and where they are from. This service is available for a fee from the official RMDC registration company, eShow.

### **Access Before & After Exhibit Hours**

Exhibitors will be allowed into the Expo Hall two (2) hours before it opens to attendees, and thirty (30) minutes after it closes each day. Please do not schedule meetings in the Expo Hall prior to 10:00am with any non-exhibiting personnel and/or dental professionals. *Admittance into the Hall for any non-exhibiting personnel will be denied. No exceptions will be made.* To ensure maximum security protection for the open exhibits and merchandise, after hours work and/or entertainment will not be permitted in the booths. All exhibitors must leave the Expo Hall within thirty (30) minutes after the close of the show each day.

### **Removal of Merchandise from Show Floor**

If, for any reason, you need to remove items from the show floor during move-in or on show days, you must obtain a Merchandise Out Pass from the Freeman Exhibitor Services Counter on the day you wish to remove the items. Persons seeking a Merchandise Out Pass must present proper company identification and have authorization from their company. After the closing of exhibits on Saturday, January 25, 2025, at 1:30pm, a pass will not be required. Exhibitors are responsible for securing their exhibit space at all times including after the Expo Hall closes.

## Display Regulations

### Standard Linear Booth

A standard linear booth has a frontage of ten (10) feet with a depth of ten (10) feet. The booth itself is a framework of aluminum rails on which fireproof draperies are hung. The back of each booth rises eight (8) feet above the floor. Dividers between the exhibit spaces measure forty-eight (48) inches high. Regardless of the number of Standard Linear Booths utilized, display materials should be arranged in such a manner so as not to obstruct sight lines of neighboring exhibitors along the numbered aisles. The maximum height of eight (8) feet is allowed only in the rear half of the booth space, with a four (4) foot height restriction imposed on all materials in the remaining space forward to the numbered aisle. Please see diagram at the right for clarification.

### End-Cap Booth

When an exhibitor has two end corner booths (end-cap), the combined two (2) booths have a frontage facing a cross-aisle of twenty (20) feet with a depth of ten (10) feet. The center back of the booth facing the cross aisle is eight (8) feet high by ten (10) feet in width, and on either side the dividers will rise forty-eight (48) inches high and extend five (5) feet in length from the center back section of the booth. An exhibitor's display in an end-cap booth shall not exceed forty-two (42) inches in height beyond the center ten (10) feet of the back wall along the numbered aisles so as not to cause a visual disadvantage to adjacent booths. The only draping will be the back wall facing the cross-aisle. The center ten (10) feet of the back wall will have an eight (8) foot tall drape. The remaining ten (10) feet of the back wall (five (5) linear feet left and right) will have a forty-two (42) inch tall drape. Please see the diagram at the right for clarification.

### Island Booth

When an exhibitor has four end corner booths, the combined four (4) booths have a frontage of twenty (20) feet on four sides with a depth of twenty (20) feet with no rails or drapes. The display height may not exceed forty-eight (48) inches within five (5) feet of the numbered aisles. The entire cubic content of the space may be used up to the maximum allowable height.

**Display policies follow the International Association for Exhibitions & Events (IAEE) Guidelines and shall be strictly enforced at the discretion of Show Management.**

### Maximum Allowable Height

In the area of any booth that is farther than five (5) feet from a numbered aisle, an exhibitor's display may exceed ten (10) feet in height only if it is determined by Show Management to be safe and appropriate.

## **Exhibit Weight & Height Limitations**

The weight limitation per square foot is 350 lbs. The Expo Hall dock entrance measures twenty-two (22) feet wide by twenty (20) feet high.

## **Display Restrictions**

- No part of the exhibit, such as signs, partitions, apparatus, shelving, equipment, displays, etc., may extend more than forty-eight (48) inches above the floor in the front half of the booth(s) as indicated by the darkened areas in the standard booth layout diagram posted on the convention website at [rmdconline.com](http://rmdconline.com) nor extend farther into the aisle(s) than the sidewalls of the booth.
- If the unfinished backside of any display is visible, it must be draped.
- No nails or screws may be driven into the Expo Hall floor or pillars.
- No damage of any nature may be done to the booth(s) structures or to any part of the Expo Hall. The exhibitor will be responsible for any damage.
- All structural work, such as shelving standards, display racks, signs, spotlights, etc., must meet with the approval of Show Management.
- No balloons are allowed in the Colorado Convention Center.
- Each exhibitor shall observe all laws and regulations of the City of Denver, the State of Colorado, and the Federal Government pertaining to fire, public and consumer safety.

## **Hanging Signs**

Hanging signs are permitted above an exhibit of four (4) or more standard booths back-to-back with an aisle on at least three (3) sides.

**Height:** Hanging identification signs and graphics will be permitted to a maximum height of sixteen (16) feet, provided written approval is received from Show Management at least four (4) weeks prior to move-in at the Colorado Convention Center. Color diagrams and photos (if possible) must be submitted with a company's written request to hang a sign.

**Depth:** All hanging signs must hang over the back 25% of the booth space.

All hanging signs must be framed, professionally designed and produced, and must reflect a polished, professional image. Show Management reserves the right to approve or reject any request. Each company that gains approval to hang a sign must make arrangements with Freeman to have the sign hung at applicable charges.

## **Display Disturbances**

All displays, demonstrations, interviews, sound or other activities must be confined to the limits of the exhibitor's assigned booth(s). Audio-visual devices used in the exhibitor's booth(s) must be approved by Show Management. In the course of the exhibition, no audio-visual device or sound system shall be operated in a manner that disturbs or interferes with other exhibitors. Show Management reserves the right to regulate displays so as to abate reasonable objections.

## **Health and Safety**

If circumstances arise that may affect the health and/or safety of RMDC attendees, the Exhibit Policies may be amended, as necessary, to address the situation(s). All attendees, exhibitors and guests at RMDC 2025 voluntarily assume all risks of participation.

## Security

Show Management will have a guard service in the facility 24 hours per day, including all move-in and move-out hours. However, this is an open booth show, and the exhibitor assumes primary responsibility for the safeguarding of exhibit and merchandise. While Show Management will exercise reasonable care in safeguarding property, neither Show Management, the facility, the security coordinator, the drayage contractor, nor any of their directors, trustees, officers, agents or employees assume responsibility for such property.

## Equipment

All mechanical equipment for display installation and dismantling, such as forklifts, highlifts, etc., also must be arranged through Freeman. Union dock rules allow exhibitors to hand-carry materials in and out of the Denver Convention Complex facilities. **Any materials requiring the use of equipment including dollies and forklifts must be handled by The Denver Theatrical Stage Employees Union Local 7 members and arranged through Freeman.**

## Labor – Installing & Dismantling Booths

Full-time employees of an exhibiting company may install and dismantle their own and respective company displays provided that such work can be completed in less than sixty (60) minutes without the use of mechanized tools. **Any outside or additional labor required for installation, dismantling or decorating is to be performed by members of The Denver Theatrical Stage Employees Union Local 7 and should be arranged through Freeman.**

## Infraction of Exhibit Rules

Unethical conduct, illegal conduct or infraction of the exhibit rules on the part of the exhibitor or its representatives will subject the offending exhibitor, its representatives, or both to dismissal from the Expo Hall and/or forfeiture of booth space, booth fee, seniority points used in booth assignments or right of first refusal for current booth location. The exhibitor may also be barred from participation in future conventions. In this event, it is agreed that no refund shall be made by MDDS and that no demand for redress will be made by the exhibitor or its representatives.

## Cancellation of Exhibition

In the event that, due to any circumstances beyond Show Management's control, the convention is not held, the exhibition is barred, prevented or cancelled, the exhibiting company is entitled to a full refund of its booth rental payment provided the circumstance is covered by the Metropolitan Denver Dental Society's convention cancellation insurance. If the convention is not held, the exhibition is barred, prevented or cancelled due to a circumstance not covered by the Metropolitan Denver Dental Society's convention cancellation insurance, there shall be no refund of the exhibiting company's booth rental payment.

In addition, the exhibiting company waives any and all damages and claims for damages if the exhibition is cancelled, postponed or relocated on account of fire, strike, government regulations, casualties, pandemic, epidemic, acts of God or other causes beyond the control of MDDS. If, due to any of the aforesaid events, occurrences, contingencies or circumstances, the exhibition shall terminate or be discontinued, or the exhibitor shall be deprived of its space with cause after the commencement of the exhibition, but prior to the scheduled conclusion thereof as herein before specified, the exhibiting company will not be entitled to a refund.

## Liability

### *Indemnification*

All individual exhibitors and exhibiting companies, upon signing an Exhibit Booth Application, covenants to protect, indemnify, hold harmless, and defend MDDS and The Colorado Convention Center and their employees from any and all liability damage or expense by reason of any injury or injuries sustained by any person or property or loss of property received, done or occurring in or about the premises used by the exhibitor hereunder or exits or entrances thereto. In

addition, each exhibitor shall save MDDS and its representatives, agents, and employees harmless and indemnify them against any damage that may result to The Colorado Convention Center premises or any portion thereof growing out of or arising from the negligence or willful misconduct of such exhibitor, its employees or agents.

Neither MDDS, its representatives, agents, or employees, nor The Colorado Convention Center, its representatives, agents, or employees will be responsible for injury, loss, or damage that may occur to the exhibitor or to the exhibitor's employees or exhibitor's property from any cause whatsoever, prior, during, or subsequent to the period covered by the Exhibit Booth Application.

It is agreed by the parties that the nature of the facilities available, the presence and circulation of large numbers of people, the difficulty of effective supervision and protection of large numbers of removable articles in numerous booths and various other factors make it reasonable that each exhibitor shall assume the risk of any injury, loss or damage, and the exhibitor, by signing the Exhibit Booth Application, hereby assumes such risk and expressly releases the organizations and individuals referred to above from any or all claims for such loss, damage or injury.

MDDS shall not be held responsible for any property of the exhibitor, including shipping containers, brought into or used about The Colorado Convention Center. Neither shall MDDS be responsible for any actions or omissions of any of the exhibitor's employees, agents or representatives.

MDDS makes a great effort to encourage attendees to visit exhibitors and to make purchases; however, MDDS cannot guarantee overall attendance or registration in any particular category. Nor can MDDS guarantee the number of attendees in the Expo Hall or amount of sales or leads gained by any exhibitor.

## **Exhibiting Standards**

All products and services displayed at the Rocky Mountain Dental Convention must comply with the official published exhibiting standards of the American Dental Association. The Rocky Mountain Dental Convention welcomes exhibitors at its annual convention because it believes that exhibits constitute an important means of keeping dentists and dental professionals informed of new and better products and services for the practice of dentistry. Such exhibits and the products, backdrops and promotional materials should be attractive, factual, dignified and calculated to provide useful product and service information. Unless a council or other agency of the American Dental Association has awarded a seal of acceptance or certification, or given other formal recognition to a product, the appearance of a product at the Rocky Mountain Dental Convention is not an MDDS endorsement of the product or the claims made for the product by the manufacturer.

## **General Conduct**

Exhibits must be professionally staffed during all open exhibition hours. The exhibitor is permitted to demonstrate the company's equipment and to make formal presentations regarding the product-line or service within the assigned exhibit booth(s). There shall be no business activities conducted in the aisle space or any other areas outside of the assigned exhibit booth(s). Aisles must not be obstructed at any time. Soliciting of other exhibitors for business or contacts is not permitted.

## **Online Exhibitor Services Center**

A username and password for the Online Exhibitor Services Center will be emailed to all participating companies in June 2024, along with booth assignments and important information from Freeman. To help ensure a smooth set-up, avoid extra service and rental charges, and ensure adequate labor force, equipment, etc., all service/product orders should be completed online along with payment to Freeman by **December 26, 2024**. Online order forms will be available for a number of services such as: material handling, labor for uncrating, re-crating, and assembling displays, furniture, plumbing, carpet, equipment rental, signs, rental displays, cleaning, florists, electrical needs and many more.

## **Complimentary Marketing Resources**

Digital Marketing – Included in the price of exhibit space is a marketing toolkit companies can use to promote exhibitor's participation in RMDC 2025.

Exhibitor Ad – Also included in the price of exhibit space is a complimentary 610px (w) x 240px (h) advertisement to be included on the RMDC website and official mobile app.

Exhibiting companies will receive full details and instructions for utilizing these complimentary marketing resources.

## **Recorded Music**

No recorded music of any kind will be permitted in any exhibit booth(s) unless the exhibitor's organization is the owner of the music copyright. Copyright documentation must be available at the exhibit for inspection by Show Management.

## **Remote-Controlled Devices**

Items including, but not limited to, remote-controlled cars, drones, planes, helicopters and robots, are prohibited in the Expo Hall.

## **Live Demonstrations**

Exhibitors are prohibited from conducting demonstrations in their booth(s) involving clinical procedures on patients or live models.

## **Service Animal Policy**

Pets are not allowed in the Expo Hall, except for service animals. As defined by the Americans with Disabilities Act (ADA), a service animal is a dog that has been individually trained to do work or perform tasks for an individual with a disability. Animals whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA.

## **Amendment to Rules**

The rules outlined in the 2025 RMDC Exhibit Policies are subject to revision by Show Management and all points not covered are subject to Show Management's decision, which is final. Exhibition rules have been formulated with the best interest of all parties in mind.

## **Complaints**

Any complaints regarding infraction of the rules or disputes between exhibitors must be made to Show Management at the Exhibitor Registration Desk. The decisions made by Show Management in response to complaints and disputes are final.

## **Non-Contracted Exhibit Booth Space**

Persons, firms or organizations not having reserved/purchased with MDDS for the occupancy of space in the Expo Hall will not be permitted to promote, display or demonstrate any products, processes or services, solicit business or distribute advertising materials, beyond receiving a qualified sponsorship acknowledgement, if applicable, at any function or event at the RMDC. Any non-compliance with this regulation will result in the prompt removal of the offending person(s) and property from the Expo Hall, or convention area or event location.

## **Subletting Space/Booth Sharing**

Subletting of space is prohibited. Exhibitors may not assign, sublet nor apportion the whole or any part of space allotted nor exhibit therein, any goods other than those manufactured or distributed by the exhibitor in the regular course of the exhibitors' business, **nor permit any representative of any firm not exhibiting to register under the exhibitor's**

**company** or solicit business or take orders in the exhibitor's space. MDDS does not permit booth sharing by two or more unaffiliated companies.

## **Laser Exhibiting**

For safety purposes, the following applies to the Exhibitors displaying lasers in the Expo Hall:

- Lasers must be operated only within a suitable enclosed space with eye protection for those viewing and operating the laser
- All demonstrations of CO2 lasers must be conducted in clear plastic boxes with top and sides enclosed
- Appropriate plastic-colored cubicles also must be available for other types of lasers being demonstrated
- No laser equipment may be left unattended in operable condition

## **Exhibitor Sponsored Contests**

Exhibitors wishing to sponsor any type of contest, raffle or drawing for prizes must notify MDDS thirty (30) days prior to the start of the convention. Exhibiting companies must adhere to the following rules:

- Exhibitor must comply with all local, state and federal laws that apply to such contests, raffles or drawings.
- Contest, raffle or drawing rules must be posted at the booth. The rules must include eligibility, dates and times of the drawing (contest or raffle), posted "No purchase necessary to enter" notification, odds of winning, how winners will be notified and how participants can find out who won the contest, raffle or drawing.
- Exhibitor must agree to indemnify MDDS in case of any claims arising from the conduct of the contest, raffle or drawing.
- MDDS must be notified of the name(s) of the winner(s) when the prize(s) has been awarded.

## **Sales, Samples & Souvenirs**

To make retail sales on the show floor, exhibitors must possess a current City and County of Denver Sales Tax License. In the absence of a Denver sales tax license, sales or other transactions by exhibitors are limited and restricted to taking written orders for future delivery.

Samples and souvenirs may be given away but must be conducted in such a manner as to not distract or interfere with the adjacent booth(s) or to impede movement of attendees in the aisles.

## **Food Products**

With the exception of popcorn and peanuts in a shell, food products may be distributed in the exhibit booth. Before planning to provide food to attendees, the exhibitor must receive permission from the Colorado Convention Center official caterer, Centerplate. Centerplate can be reached by calling (303) 228-8050.

## **Smoking Regulations**

There shall be NO smoking or vaping in the Expo Hall, Exhibitor Lounge, restaurant areas or lecture rooms. The Colorado Convention Center is a non-smoking facility.

## **Sanctions**

The rules and regulations presented in this document are intended to bring order and fairness to the expo hall. Without enforceability, however, these would be of little value. In addition to being subject to restriction or termination of an exhibit as specifically stated above, exhibitors who violate any of the stipulations or regulations presented in this document will be subject to the following sanctions:

- 1<sup>st</sup> violation: warning to correct violation
- 2<sup>nd</sup> violation: loss of current year priority point
- 3<sup>rd</sup> violation: loss of half of accrued priority points
- 4<sup>th</sup> violation: potential loss of all accrued priority points, closure of the exhibit for the remainder of the current exhibition and ineligibility to exhibit at the next year's exhibition
