Onsite Contact

To reach show management during convention hours call
(303) 228-8314 or text **(720) 292-1330**.

Name Badges

Your name badge must be visible as you enter each area of the convention. All in-person courses and the Friday Night Silent Disco Party are ticketed events. Tickets are on your badge QR code. Your badge will be scanned for entry to these events. A limited number of seats will be available at the door for in-person courses that are not sold out.

Expo Hall Only Registration – Badges for exhibitors, dental professionals and family members who register as "Expo Hall Only" allow admittance to **only** the Expo Hall.

Course Ticket Policy

All courses at the 2026 RMDC are ticketed with tickets embedded in your badge. If a course was not reserved when registering, it may be added at Registration in Lobby D. Entry for all non-fee courses will be honored only until 10 minutes after the course start time. Seats purchased for fee courses will be honored throughout the course time.

Entry will be verified by scanning the code on attendee badges.

For courses that are not sold out, empty seats will be available on a first-come, first-served basis.

2026 RMDC Mobile App Features:

- Speaker and course information
- CE code entry
- Course evaluations
- RMDC schedule and personal scheduler
- Floor plan of Expo Hall and classrooms
- Exhibitor listing
- Updates
- Course e-handouts

To download the RMDC Mobile App with your iOS or Android device, go to your device's app store and search for "**RMDC**".

Sponsored by Children's Dentistry

WiFi

Free WiFi service is available throughout the Colorado Convention Center. The WiFi network name is Member Perks. *Sponsored by Colorado Dental Association Enterprises (CDAE)*

Electronic Course Handouts

Course e-handouts for the 2026 RMDC are available in the education program on rmdconline.com or through the RMDC Mobile App. See above for downloading the mobile app. Please note that not all courses have handouts.

Media Recording Policy

No audio, video, digital recording or photography of any courses or speaker slides is permitted other than by MDDS officially sanctioned vendors. This includes the use of personal video cameras, tablets or cell phones by attendees to record presentations in any manner.

Promotional Media Policy

During the convention, photos, videos or other media may be taken of attendees. As a convention attendee, you are giving permission for these media to be used in future promotional materials. Attendee names will not be published without a written release.

Continuing Education Credit

The Metropolitan Denver Dental Society is an ADA CERP-recognized provider of continuing dental education. The RMDC offers a maximum of seven (7) hours of ADA CERP continuing education credits in one day. Please note: the number of CE credits are listed for each course.

In addition, MDDS credits are approved by the AGD for Fellowship and Mastership credits.

Unless otherwise noted, one clock hour equals one credit hour. Continuing education courses may not apply toward license renewal/CE requirements in all states. It is the responsibility of each attendee to verify the requirements of his/her licensing board or the organization to which he/she must submit proof of continuing education. Please check with your state board or other applicable organization if you have questions.

Receiving Verification of Attendance

All attendees who require proof of attendance for CE credits must record the CE code that is read at the end of the course.

Attendees may use the Registrant Services Center on rmdconline.com or the RMDC Mobile App for CE code entry. Verification will be provided only if the attendee enters the correct CE code.

Important Note: CE codes will be read at the end of each course and will not be given to attendees at any other time during or following the convention. Please record the CE code for each class you attend, whether you think you will need it or not.

To print a CE verification form, go to the Registrant Services Center at rmdconline.com or through the RMDC Mobile App. If you have questions about the CE verification process, please go to the Information counter in Lobby D or call (303) 488-9700 after the convention.

Course Disclaimer

The Metropolitan Denver Dental Society makes every effort to present high-caliber speakers in their respective areas of expertise. MDDS courses are offered as information only and not as financial, accounting, legal or other professional advice. Attendees must consult with their own professional advisors. In addition, each participant must decide the merit and practicality

of the material presented. The ideas and comments expressed during the courses are not necessarily endorsed by or are those of MDDS. MDDS warns attendees about the potential risks of using limited knowledge when integrating new techniques into their practices.

Coat Check

An unstaffed coat room is available in Room 701.

Lost and Found

Lost and Found is in the Colorado Convention Center security office located in Lobby B.

Tote Bags

Attendee Tote Bags are available in the Expo Hall.

Sponsored by BioGaia Probiotics

Parking

Convention Center Parking Garage – Enter the garage on northbound Speer Boulevard between Stout and Champa Streets. Parking fees vary depending on when you arrive and leave. The lot is open 24/7.

Additional Parking is available in other paid lots near the Colorado Convention Center.

Child Attendance Policy

- **Education Courses:** In consideration of all convention attendees, ***children under the age of 14 are not allowed in scientific presentations.***
- **Expo Hall:** Due to the presence of large, heavy equipment, medical instruments, and numerous other products, ***all children under the age of 18 must be accompanied by an adult while in the Expo Hall.***
- Parents taking children into the Expo Hall do so at their own risk. Neither MDDS, its representatives, agents, or employees, nor The Colorado Convention Center, its representatives, agents, or employees will be responsible for injury that may occur to children from any cause whatsoever, while children are in the Expo Hall.
- ***No exceptions to this policy will be permitted.***

Alcohol Policy

Alcoholic beverages are a part of some Rocky Mountain Dental Convention events. An individual's decision to partake is a matter of personal choice and is neither encouraged nor discouraged by the Metropolitan Denver Dental Society. Reasonable and appropriate measures are taken by MDDS to ensure that consumption occurs in a safe and responsible manner.

MDDS creates opportunities for convention attendees to engage in business with each other. It also provides opportunities for friends and colleagues to network and socialize. Irresponsible drinking could undermine these opportunities. All attendees are expected to exercise restraint and good judgment in their consumption of alcohol at Rocky Mountain Dental Convention events.

Underage drinking is prohibited at any Rocky Mountain Dental Convention event or activity.

Cell Phone Policy

In consideration of fellow attendees, please refrain from using cell phones or any other device that may distract from the educational presentations. Thank you.
